## CRT and NRT Results FAQ

- How do we explain to our students, parents, teachers, and community why a student is Proficient on the Iowa Tests but Novice on the Montana CRT?

3

## Complementary Assessments

4

## Overlapping Assessments

5

## Iowa Tests Customized Skills Reports

- \* Items from the Iowa Tests measure the knowledge dimension of the Montana Standard, but do not adequately measure the application aspect.

6

## CRT Alignment with Montana Content Standards FAQ

- Q: Is the Montana CRT aligned to Montana content standards?
- A: Yes
  - Northwest Regional Educational Lab alignment study and test blueprint

7

## Cut Score FAQ

- Q: How were the cut scores for performance levels determined?

8

## Standard Setting

- Summer 2004
- Montana Educators set cut scores for each performance level, grade, and subject
  - CRT - Modified Bookmark
  - CRT-Alternate – Modified Body of Work
- Technical Advisory Committee
- OPI Decision

## Agenda

- Welcome and Introductions
- 2004 Report Overview
  - CRT Overview
  - CRT-Alternate Assessment Overview
- Report Shipment
- Interpreting Reports
- iAnalyze Basic Training
- Questions
- Break

14

## Brief Overview of the CRT

- The test consists of common (scored) and embedded field test items.
  - Sixteen forms per grade provides a large pool of field test items.
  - Field test items become common items in future tests.
- Only common items are used for scoring.

15

## Released Items

- Common items are released annually.
  - OPI Assessment website
    - [www.opi.state.mt.us](http://www.opi.state.mt.us)
  - iAnalyze (“Help” option)
  - Answer keys, scoring rubrics, and examples of student work at each score point are provided.

16

## Brief Overview of the CRT-Alternate Assessment

- Developed using Montana Reading and Mathematics standards and expanded benchmarks
  - Expanded Benchmarks were used to develop the assessment performance indicators
  - Documents Located online at
    - [www.opi.state.mt.us](http://www.opi.state.mt.us) or [www.measuredprogress.org](http://www.measuredprogress.org)
- Age-appropriate activity
- Scored using a four point rubric by the teacher administering the activity
- CRT-Alternate released items (performance indicators) and correlating standards online at
  - [www.opi.state.mt.us](http://www.opi.state.mt.us) or [www.measuredprogress.org](http://www.measuredprogress.org)

17

## Report Shipment

- **Delivered to System Test Coordinators September 28-30. CRT and CRT-Alternate Reports were shipped together.**
  - Paper Reports
  - CDs with data files
  - Interpretive Guide
  - Two memos:
    - System/School Memo
    - Parent memo (nonstandard accommodations)

18

- Jules Waber, Powell County Superintendent

Paper reports and CDs

19

## Paper Reports

- CRT Student-Level Reports (2 copies)
- CRT School Summary Reports
- CRT System Summary Reports
- CRT-Alternate Assessment Student-Level Reports (2 copies)
- CRT-Alternate Assessment School Summary Reports
- CRT-Alternate Assessment System Summary Reports

20

## CDs

- **Contents of System CDs:**
  - PDFs of school and system summary reports
  - Excel data file of school and system data
  - iAnalyze (confidential student-level linking data files)
- **Contents of School CDs:**
  - PDFs of school summary reports
  - Excel data file of school data
  - iAnalyze (confidential student-level linking data files)

21

## What is iAnalyze?

- Web-based, data management tool for the CRT
- At no cost to schools or systems
- Provides basic and advanced reports
- Systems and schools may use several filters to create custom reports.
- Allows educators to sort data by content, grade, class, item, or standard. Each scored test item may be viewed and copied into a Word document.

22

## iAnalyze Training

- **MEA-MFT Conference**
  - Helena High School, Helena, MT
  - Room 7
  - October 21-22
- **Montana Conference of Education Leadership (MCEL)**
  - Billings Trade Center, Billings, MT
  - Exhibit Hall
  - October 20-21

23

## Using CRT Results

- Purpose of CRT
  - Provide educators with information to evaluate curriculum and instruction
  - Identify strengths and challenges
- MEA-MFT Session
  - Assessment Results and the Classroom
  - Thursday, Oct. 21, 3pm
  - Helena High School, Room 23

24

## We have the data – Now what?

- You can look at the data with a narrow lens (student data) or with a wide ban (system or school)
- Seeing trends requires viewing the data over time

25

## Just remember

- It is hard to tell what we are looking at if we are too close...

26

## We need to see the forest AND the trees

27

## Using CRT Results

- Data analysis
  - Evaluating data in the *context* of curriculum and instruction to *identify needs and impact instruction and student achievement*
  - Need to understand what the data itself means
  - Need to understand data's relevance within the context

28

## Identifying Needs

- Display the data to maximize communication value
- Look for patterns or clusters in the data that indicate a problem
- To impact instruction, examine the
  - Items
  - Possible answers
  - Items and answers within a standard
  - Item statistics
  - Standard statistics

29

## Sample Item

What is the value of X?

$$X = 8 + 4 \div (4 - 2)$$

11%    A.    1

28%    B.    6

7%    C.    7

55%    D.    10

30

## A look ahead...barcode labels

- Barcode labels will be used for 2005 CRT and CRT-Alternate Assessment
- Schools may register new students online up to day of testing
- **Online Enrollment Collection**
  - CRT—December 1, 2004 – January 7, 2005
    - Late November—passwords and instructions
  - CRT-Alternate
    - October 4 -22, 2004
    - January window for newly enrolled students TBA
    - September—passwords and instructions

31

## A look ahead... revisions

- Test Administration Materials for Spring 2005
  - Feedback from 2004 test administration—survey in the spring of 2004
  - Focus group
    - Formed on September 28, 2004
    - Will finish work by October 28, 2004

35

## iAnalyze

- What is it?
- How to Access it?
- What data can we get from it?
  - System level
  - School level
  - Student level
- How can we use the data to improve instruction?

36

## What is iAnalyze?

- ...a secure website where data gathered from the CRT assessments are distributed.
- It was built by Measured Progress and is used in Montana, New Hampshire, Rhode Island, Vermont and Nevada.
- Stores and displays data from 2004 CRT

37

## How to get access to iAnalyze?

- <http://iservices.measuredprogress.org>
- Each System Test Coordinator was sent system- and school-level organization codes and passwords.

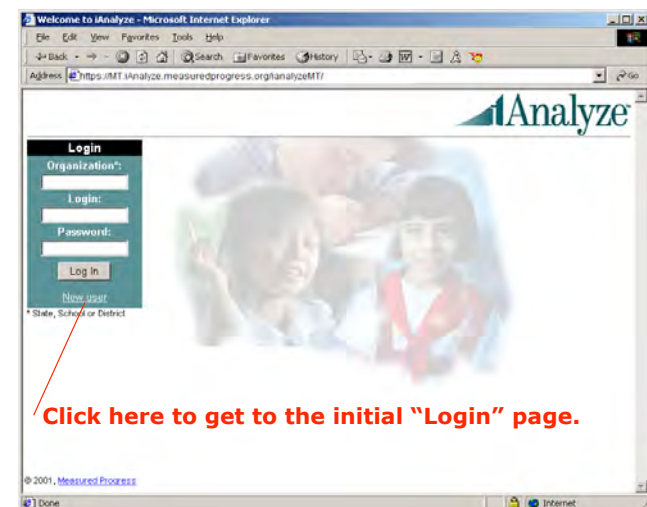

38

## How to manage access to iAnalyze?

- Most System Test Coordinators will assign someone to be the “iAnalyze Keeper” who assigns the individual logins and passwords that allow people clearance to view certain levels of data.

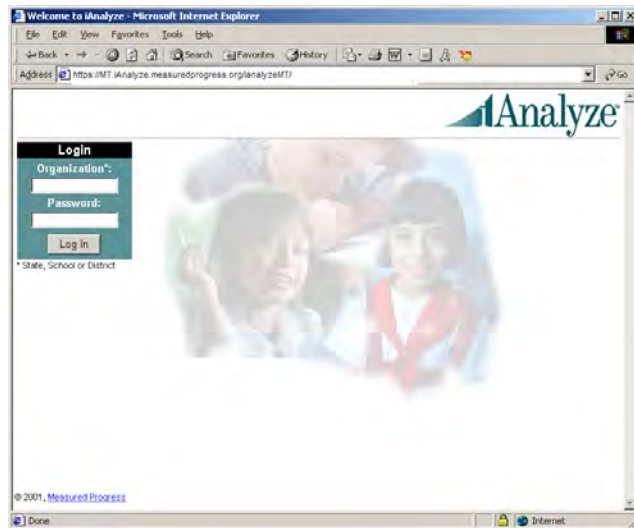

39

## 1. Initial Login Page

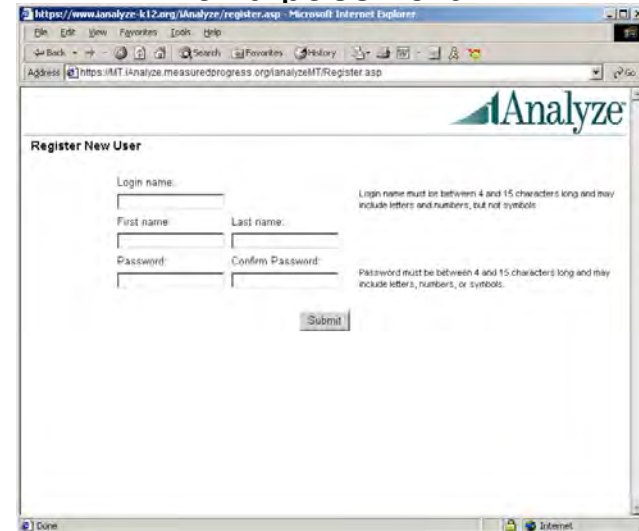

40

## 2. Login using assigned Organization Codes and Passwords

41

## 3. Create new login name and password

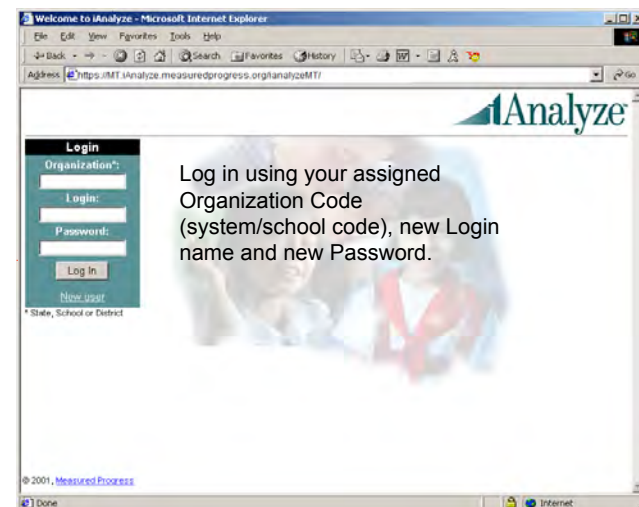

42

## 4. Select “log-in” to begin using iAnalyze

43

## 5. Back to the Login Page
